

# > IIAS Fellows

## 1 July 2003 – 15 November 2003

The IIAS accommodates postdoctoral researchers in Asian Studies in a variety of categories. Sponsorship of these fellowships contributes to the institute's aim for augmenting expertise and bolstering the exploration of underdeveloped fields of Asian Studies in the Netherlands.

One of the most important goals of the IIAS is to share scholarly expertise by offering universities and other research institutes the opportunity to benefit from the knowledge of resident fellows. IIAS fellows are invited to lecture, participate in seminars, cooperate on research projects etc. The IIAS is most willing to mediate in establishing contacts and considers both national and international integration of Asian Studies to be very important objectives.

The IIAS wants to stress the cooperation between foreign researchers and the Dutch field. With regard to the affiliated fellowships, the IIAS therefore offers to mediate in finding external Dutch funding, should the scholar have not yet found ways of financing his/her visit to the Netherlands. For more information, please refer to the IIAS fellowship application form, which can be obtained from the IIAS secretariat or can be found at [www.iias.nl/iias/applform.html](http://www.iias.nl/iias/applform.html)
