

# > IIAS Fellows

15 November 2004 – 15 March 2005

IIAS hosts several categories of post doctoral researchers (fellows). Their sponsorship contributes to the institute's aim of enhancing expertise and encouraging the exploration of underdeveloped fields of study. One of the main objectives of IIAS is to mediate in establishing contacts in the field of Asian Studies and to stimulate cooperation between national and international scholars and institutes. IIAS thus offers universities and research institutes the opportunity to benefit from the knowledge of its resident fellows, who are invited to present lectures, participate in seminars, and cooperate in research programmes. IIAS fellowship applications can be submitted at any time.
