IIAS fellows

IIAS hosts several categories of post doctoral researchers in Asian Studies. Sponsorship of these fellows is dedicated to the institute’s aims of enhancing expertise, encouraging the exploration of underdeveloped fields of study, and stimulating cooperation between national and international scholars and institutes.

IIAS fellows are invited to present lectures, participate in seminars and cooperate in research programmes. Applications can be submitted at any time.

More information and IIAS fellowships application forms are available at: www.iias.nl/iias/fellowships

For specific information, please contact: iiasfellowships@iias.nl
