2006 International conference agenda
CALL FOR PROPOSALS

The Asia-Europe Foundation welcomes proposals for workshops on themes of common interest to Asia and Europe, to take place in 2007/2008.

**The deadline is 1 February 2007.** Proposals will be refereed by an Asia-Europe Selection Committee, and will be selected on the basis of merit. Applicants will be informed of the Committee's decision by June 2007.

**Financial support, up to a maximum of € 22,500 per workshop, covers costs of contribution towards travel and accommodation.**

**Criteria**
- Prior to recent meetings, to be held between September 2007 and September 2008 in an ASEM member country.
- Jointly organised by an Asian and a European institution from ASEM member countries.
- Participants: coming from at least eight different ASEM countries (Asia and Europe equally), male/female parity, balance between senior scholars and promising younger researchers.
- Participants are invited primarily from academics — though contributions from politicians, journalists and representatives of industry are welcome.
- The topic should be innovative and interdisciplinary, address shared interests between Asia and Europe, be of interregional/multilateral importance, and stimulate interregional dialogue.
- Workshops initiated by young postdocs aimed at creating an academic network are favoured.

**The proposal**
- Maximum eight pages, in English.
- The proposal should contain:
  - Title of the workshop, proposed dates and venues, names of initiators and founding institutions in Europe and Asia (include at least two signed letters of intent), and one contact address (p. 1).
  - Introduction to the idea and scientific objectives (p. 2-3).
  - List of confirmed participants, with institutional affiliations and disciplinary competence in relation to the workshop's topic (p. 4).
  - Detailed programme including paper titles (p. 5).
  - List of invited participants (p. 5).
  - Contact details (p. 5).

**Deadlines and address**
- Proposals should be received (by regular mail) before 1 February 2007.

**ASIA-EUROPE WORKSHOP SERIES 2007/2008**
