

COVID-19 Safety Guidelines for On-site Participants

To prevent the spread of COVID-19 and ensure the safety of other participants, we would like to implement specific guidelines for the on-site participants. Participants should follow these guidelines while they are at the conference venue.

Please note that these guidelines only supplement the Korean government's COVID-19 measures. Therefore, participants must follow the national regulations throughout their stays in South Korea.

7. Tests

Asian Borderlands participants are encouraged to test for COVID-19 before joining the conference daily, using a rapid antigen test.

The Asian Borderlands Organizers will not provide the antigen test kits. The participants should bring their own test kits or purchase them in a supermarket nearby.

8. Masks

Please wear a mask when you are inside the conference building at all times, even at the university's cafeteria, but not consuming food.

9. Sanitization

The organizers will supply hand sanitizers at the venue. Additionally, we recommend that the participants wash or sanitize their hands before meals and after touching high-touch surfaces such as doorknobs, tables and light switches.

10. COVID-19 symptoms during the ABRN Conference

If you suspect that you have COVID-19 symptoms such as coughing, fever, shortness of breath, difficulty breathing or other related symptoms, please get in touch with the ABRN conference organizers as soon as possible by emailing asianborderlands@ias.nl.

Additionally, you can call the hotline number of Korea Disease Control and Prevention Agency (KCDC) at 1339. The service hours for foreigners are from 9.00 – 22.00. The hotline has many available language options, such as Chinese, English, Vietnamese, Thai, Japanese, Mongolian, Malay, French, Russia, Nepali, etc.

To call the hotline from an overseas number, please call: +82-1339, +82-2-1339, +82-2-2633-1339 and +82-2-2163-5945.
