

ICAS 13

The 13th edition of the International Convention of Asia Scholars (ICAS) took place in Surabaya, Indonesia from July 28-August 1, 2024. Welcoming more than 1500 participants from over 60 countries around the world, ICAS 13 reimagined scholarly exchange through its Conference-Festival (ConFest) model. In addition to panels and roundtables, the gathering included a variety of nontraditional modes of academic, artistic, and civic engagement – from film screenings, public exhibitions, and festival nights to urban sketch walks, *kampung* visits, and in-situ workshops. For more images of ICAS 13, along with reflections by some of the ConFest's organizers and volunteers, please see pp. 42-49 of this issue.
